
 www.rustins.co.uk	PRODUCT DATA SHEET
Product	Light & Dark Scratch Cover
Type	A blend of Beeswax, carnauba wax amongst other waxes and colouring agents dispersed in solvents
Intended Use	For new and old furniture. Polishes and masks unsightly surface scratches.
Special Features	Ideal for antique restoration. Manufactured in two shades- one for light furniture and one for medium to dark furniture.
Preparation	For best results clean surface with Rustins Surface Cleaner to remove any wax polish that may have been applied.
Application	Apply the scratch cover to the scratches with a soft cloth and leave for several minutes before rubbing with a clean soft cloth. When the scratch has been masked apply the scratch cover over all the surface and polish off with a soft cloth or duster. If the finish is very badly scratched it should be treated with Rustins Finish Reviver .
Coats	Several application may be required if the scratch is deep.
Application Temp.	Ideally 15-25°C. Do not use below 5°C, or in conditions of high humidity.
Compatibility	Can be painted varnished or stained. Please be aware that when stained, colour may vary from surrounding wood.
Settlement	Shake thoroughly before use, ensuring the container is tightly closed.
Shelf-life/Storage	The shelf life of the product in an airtight container is indefinite. It is preferable to store the product in a cool place. It is important to replace the lid and ensure an airtight seal.
Hazards	Flammable. Keep out of reach of children. Keep container tightly closed. Keep away from all sources of ignition- No smoking. A full Health & Safety Data Sheet is available upon request.
Sizes	250 ml
