**The Formula 1
of all electronic
pool cleaners**

- ▶ 2-in-1 top-access filter case with Easy View
- ▶ Choice of various programs
- ▶ 3 active cleaning systems

AstralPool is a brand of:

The robot with the best features to eliminate dirt from your pool in record time!

Hurricane will remove all dirt from your pool in record time thanks to the **AquaSmart** electronic system and to the fact that there are three cleaning systems in all of the cleaners in this range. The filters belong to the latest generation in the market since they are top access and the **Easy View** system means they can be cleaned without getting into contact with the dirt and can easily be seen when needing cleaning. There are two height-adjustable suction nozzles to ensure **they adapt perfectly to any pool**. They have a number of cycles that can be programmed to suit your needs and a **LED indicator** that shows when the filter has to be cleaned.

- ▶ 2-in-1 top-access filter case with Easy View
- ▶ Choice of various programs
- ▶ 3 active cleaning systems

Remember that all cleaners which have the AquaSmart Inside software offer the best warranty in terms of performance.
