HQ1000B	BLEU
HQ1000RGB	COLORS RGB
HQ1000RGBD	COLOR RGB DMX

HQ1000RGB become standard with remote control. The remote control box up to 4 lights can be connected

HQ1000RGB convertido en estándar con mando a distancia. El cuadro de mando a distancia hasta 4 luces se puede conectar.

Technical information

Max. energy consumption	20 W
LEDs	315
LED Chip	SMD
Light color	COOL WITHE, WARM WITHE , BLUE, RGB
Color Temperature	2700k-6500k
Light output lumen at	1500-1800 (Similar to lumen output of 250/300W halogen)
Beam angle	120°
Working environment	-25°C~45°C
Max. installation depth	15
Voltage	DC 12 V
Material	RESIN
Dimensions ø	176 mm - thick 30 mm
Cable length	3 Meter
Type of pools	Resistant to chlorine, salt and pool chemicals
Working Lifetime	50,000 hrs
Warranty	2 years
Certificate	IP68 / ROHS / CE
